Work Experience

Carpenter

Paul Arnold Construction - Campbell, CA

January 2017 to September 2020

408-690-5013

Remodeled kitchens and bathrooms from demo to finish. Removed old vanities and old kitchen cabinets (upper and lower), and removed sheetrock as needed. Reframed for new windows and doors, and added backing for grab bars, towel bars and kitchens. Installed new cabinets (upper and lower). Installed base, toe kicks and door windows, trim and crown molding. Installed new doors and windows (pocket doors).

Maintenance

Woodland Estates, Inc - Morgan Hill, CA

May 2009 to February 2016

408-779-8991

I was in charge of all the maintenance in a 285 unit mobile home park. I changed out gas and electric meters, took care of the swimming pool and spa, maintained the Clubhouse and the grounds.

Manpower - Palo Alto, CA

June 2008 to September 2008

Renovated dorms and apartments after students graduated/moved for summer break.

J&J Home Improvements

Campbell - Campbell, CA

June 2006 to March 2008

J&J Home Improvements

Campbell, CA

I remodeled kitchens and bathrooms from demo to finish, removed old cabinets, sinks, stoves, ranges and sheetrock as needed for new installation. I installed new cabinets (upper & lower) following plans. I did plumbing as needed for sinks, tubs and dishwasher installation. I did finish work for both base, crown molding, door and window trim. Installed new windows and doors.

D.P.R. Construction - Redwood City, CA

February 2005 to November 2005

I did structural form work for the new movie theaters on top of Vallco Shopping Center. I removed roofing material to expose columns, and put forms on top of columns to extend above rooftop.
